

## **FACIAL IDENTIFICATION TRAINING (F.I.T.)**

# **401 - Expert Witness Testimony**

## **16-Hour Course**

Are you a Facial Identification analyst or practitioner who may have to testify regarding your opinions in a court of law? Do you understand the nuances of courtroom testimony? If you've never experienced the pressures of witness stand testimony, the Face Center of Excellence (FaCE) has you covered with this two day, in-person course.

This class is the only one of its kind for facial examination practitioners and is a must for those who may be subpoenaed to testify.

### **This course covers the following topics:**

- ▲ How to prepare yourself for qualifying questions that will demonstrate your expertise and qualify you as an "expert witness"
- ▲ Introduce you to existing litigation that includes cases involving facial analysis
- ▲ Prepare you for cross-examination questioning
- ▲ Discuss case law and rulings that may impact your testimony
- ▲ Conduct "Moot Court" scenarios that will simulate an actual courtroom experience
