# I3 IDEAL INNOVATIONS INCORPORATED

FACIAL IDENTIFICATION TRAINING (F.I.T.)

102 - Overview Course
4-Hour Course

Have you heard about Facial Identification or Facial Recognition but don't know what exactly either of them are? Are you interested in understanding what it takes to do a facial comparison?

The class will cover a high-level overview of the basic tenets of the Facial Identification Discipline. You will have the opportunity to "test" your skills with a couple of comparisons as well as interact with a skilled instructor to answer questions during the class.
